

LAUDATO SI' GOALS

Ecologic education

LSG 5

Actions for the LSG5

- To reformulate educational programmes and reform institutions in the spirit of integral ecology in order to create awareness and promote concrete actions.
- Promote the ecologic vocation of the youth, the teachers and the educational leaders.

Clues for reflection LSG5

- Time dedicated to ecological education and time spent close to nature and poverty situations (local, state or international level).
- Actions of ecological transformation in which one participates and which are promoted in a personal and group way.
- Collaborative actions towards nature, towards situations of poverty and with movements and associations.
- What awareness raising actions do you take part in and what awareness raising actions do you disseminate?
